

WELCOME!

Card 1

Welcome to the Global Sports - Global Learning programme!

This programme is designed to be an experience. An experience for you, the deliverer and for the group you are working with.

The Global Sport - Global Learning (GS-GL) programme involves learning about the sport of Handball and then sharing this learning experience with a group of young people in India and/or Australia. It is truly a Global Learning experience!

Provided in the pack are lesson plans for both practical and classroom sessions. These lesson plans are a guide and include activities that can be delivered by coaches or teachers regardless of their level of experience.

The programme also outlines the processing order with various checklists at the end. During any part of the GS-GL programme, we at Global Community Sports are always available to assist and support you when ever required.

By participating in the GS-GL programme you are joining over 80 different organisations that have worked with Global Community Sports to learn more about this world we live in through the awesome medium of sport!

I hope you enjoy the Global Sport - Global Learning experience and I look forward to helping you and your students along the way.

Yours in Sport,
Rick Shrowder

GLOBAL SPORTS - GLOBAL LEARNING PROGRAMME

Card 3

SO HOW DOES THE PROGRAMME WORK?

Global Community Sports is using Handball to enable young people in the United Kingdom, India and Australia to understand each other's context and to communicate through sport using an innovative educational model.

PHASE 1

School teacher/coach downloads GS-GL Pack from GCS website and delivers

- 5 practical sessions
- 5 theory sessions

All lesson plans and instructions included in the pack.

PHASE 2

After completion of the 10 sessions the teacher/coach

- Uploads all images to GCS website
- Scans & uploads all selected worksheets

All instructions and checklists included in the pack.

PHASE 3

After images and selected worksheets have been uploaded GCS

- Creates a 22 page, full colour sports manual.
- Printed copies (1 per student) are sent to school.

PHASE 4

GCS sends a copy of the manual to partner organisations in India and/or Australia.

PHASE 5

Partner organisations in India & Australia use manual in the local school/village.

PHASE 6

Partner organisation emails a report to GCS. GCS then forwards copy of report to original school in the UK.
